

# *Wednesday Wins*

Hi All,

I invite you to our upcoming Membership Meeting on Friday, May 16, 2025, from 10 AM - 1 PM at Los Angeles Trade-Tech College Culinary Arts Building - 106A. Our theme is Brunch, Business & Bingo! Join us as we break bread with each other, get updates on what our union is doing, and play a little bingo (with Prizes). California Federation of Teachers President Jeff Fietas will be our keynote speaker.

If you haven't been to a Membership Meeting, this is where the highest governing body of the guild, that is, you, the member, make decisions on behalf of the union. Later, we will send you an agenda with any items we may be taking action on. It is also an opportunity to be informed on what the union is doing, from enforcing the contract and legislation to upcoming contract negotiations. Come to the meeting and you may win at Bingo, but our union is guaranteed to win with your participation. I hope to see you there.

In Unity,

A. James McKeever PhD  
President, AFT 1521 Faculty Guild  
CFT Vice President
