# *Wednesday Wins*

Hi All,

This week's win is an opportunity to relax and connect with your colleagues! Join us for our first **Union Happy Hour, serving the San Fernando Valley region, on October 22, from 4:00 to 6:30 PM at the Velvet Martini Lounge in Studio City**.

Building a strong union also means making time to enjoy one another's company. Come catch up with colleagues, meet fellow members, and enjoy good food and great drinks. Meet our Guild endorsed Trustee Candidates Darryn Harris, Randall Winston, and Steve Veres. I promise there will be no long, tedious speeches, just a few quick announcements, raffles, and plenty of time to mingle!

We'll have the room to ourselves from **4:00 PM to 6:30 PM**. And if you'd like to keep the fun going, karaoke and an open mic begin at 7:00 PM. You're welcome to stay and share your talents or cheer on your colleagues!
**Please register as soon as possible so we can get an accurate head count for food: RSVP Here**

I look forward to spending some time together!
